

# **Stanford Institute for Theoretical Economics (SITE)**

## **Call for Papers: The Macroeconomics of Uncertainty & Volatility**

We will be running a three-day conference on the macroeconomics of uncertainty and volatility, focused on recent research on measuring, exploring and identifying these, and their relationships to micro and aggregate activity.

The conference takes place at **Stanford University from 1pm on Wednesday 7<sup>th</sup> September to 1pm on Friday 9<sup>th</sup> September 2016.**

Funding to assist with presenters' travel expenses will be provided and invited presenters will be notified of the amount at the time of acceptance. Presenters are expected to attend the full conference. If for any reason you cannot attend the full conference please note this in your submission.

Please submit by Monday May 2<sup>nd</sup> via <http://site.stanford.edu/>

- Choose 'Create New Account' under 'User Login' on the left menu.
- Follow the instructions to create an account, choose a session, and submit a paper. You will receive an email confirmation when your submission has been received.

**Nick Bloom (Stanford)**

**Steve Davis (Chicago)**

**Jesus Fernandez-Villaverde (Penn)**
